

SOUTH TOWN.

Let us first consider our scholastic achievements of last term : we shall find them no mean successes. Seven of our members gained their Higher School Certificates ; Levy, Willis, Reid and Smith were awarded Scholarships on the results of their examinations. Many members gained their Oxford School Certificates, with exemption from Matriculation.

E. W. Willoughby is to be congratulated on being appointed Head of the School and Captain of the First XI—an honour which South has not had for some years.

B. R. Taylor is Vice-Captain of the First XI, and Loader has played regularly for the team. Griffiths, who has played twice, shows promise for the future.

The full praeceptors this term are E. W. Willoughby, L. Hotten and A. J. Rowe ; the half-praeceptors, Morris, Crown, Lloyd, Posselwhite and Gurney.

About a week ago, at the time of writing, we sustained a severe shock in losing our first Senior House match for some considerable time. North Town were our victors ; we shall now have to be content with second place until we can avenge this defeat—as we shall certainly do. Middles have had a fairly successful season.

K. White, Griffiths ii and Askew, from our Senior team, all show promise and should prove particularly helpful in the future.

South is well represented in the J.T.C. and also in the A.T.C. During the summer holiday many boys went to farms and forestry camps. Indeed, South Town is quite in the forefront of National Service, at School and at home.

The best of luck to those who are taking the School Certificate Examination, and to those who may be leaving us.

To Mr. Gibson, and to all members of South, both past and present, we wish a very happy Christmas and a prosperous New Year.

NORTH TOWN.

“What can be done, shall be done.”

As is the custom, we first remember those who have just left us, and wish J. M. N. Ashbee, who is up at St. John's, Cambridge, and D. Acres, who will shortly be joining the Royal Navy, the very best of luck in the new life ahead of them.
