

## **OTWAY HOUSE.**

On our return to School, we were sorry to learn that Howes, Thom and Hervé were no longer with us, and we wish them the best of luck in their respective careers. This term we found ourselves with a larger percentage of Juniors than ever before, and thus it has been rather an era of moulding all this excellent material for the future.

Under the able captaincy of P. D. Slater, our Middles and Seniors teams have played with much spirit and, though we have not many victories to record, we can look back upon many most enjoyable games.

We were very pleased to see our Lower team, led by Thurgood, win all their matches and finish top of the table—surely a portent for the future!

We have many enthusiastic squash players amongst us this term, and we congratulate R. Howell on playing in the School team.

We were very pleased to see Slater and Henshall pass their Certificate "A," Part I, and Coker be posted a Platoon Commander. We wish the best of luck to all those taking Certificate "A" next year, and hope to see many more N.C.Os. in the House soon.

Although not favoured by the weather, the allotment, under the guidance of Low and Nicholson, has justified its upkeep and, fortified by this year's experience, we hope to do better in this important sphere next spring.

Finally, we have much for which to be thankful in the excellent state of health prevailing in the House this term, due entirely to the untiring efforts of Mr. and Mrs. Waldram and the Matron, to whom we offer our heartfelt thanks. To them, and to all members of the House, we now wish a happy Christmas and a prosperous New Year.

---

## **NEWNUM HOUSE.**

We came back this term without P. S. Barker and R. D. Rosser, both valuable members of the House, the former having been at the School for over 10 years. We wish them the best of luck in their respective careers.
